Dear Milan Wanja,

RE: TREE NURSERY LAUNCHING.

Karen Forte Environmental Conservation Foundation Organisation, under the leadership of their CEO, Karen Kimani, have been planting and growing trees across the country for several years.

Through the help of The Kenya Forest Service (KFS), we are moving our 60K capacity tree nursery to a new location in Ngong Road Forest, Miotoni block which has been provided by KFS.

Kereita Forest 500 Tree Planting Exercise in Lari Constituency: 26th February 2024.

One hundred (150) Fruit Tree Planting (growing) Action.Venue:- Statehouse Primary School
28th Nov 2024

We are inviting you to our new and bigger tree nursery launching on Saturday, starting at 9:00am.

Your presence will be highly appreciated.

Yours faithfully,

Karen Kimani
